

## **AeroCom/Aerosat logistics for 2022 workshop in Oslo**

### **Time**

**10.-14. October**

### **Meeting location**

The workshop will take place in the "Toppsenteret" in the Forskningsparken (Oslo Science Park) building. Address: Gaustadalléen 21, Oslo, Norway

5 minute walk from metro station Blindern.

Metro lines 4,5,6 going to the west from the center of Oslo.

### **Transport**

Oslo can be reached best via Oslo Gardermoen airport. From the airport take the express train "flytoget" to the center of Oslo (210NOK), either to Oslo central station or Nationalteatret.

International trains from Göteborg and Stockholm arrive directly at Oslo central station.

Within Oslo transport with the metro (T-bane) is most convenient. See info here: [ruter.no](https://ruter.no)

### **Remote participation**

Zoom links will be available for registered participants

### **Conference fee**

A conference fee will be requested by all on-site participants: 500 NOK (card payment on site upon registration)

A small lunch will be served at the conference site.
